Thank you for coming to share in the music of the young people of Eastern Mennonite High School.

Music is an important part of the EMHS program—seventy-five to eighty percent of the students participate in music each year. Through their participation students develop an appreciation of music as a means of enjoyment, expression and communication.

These are the Church's young people. Pray with us that their performance will inspire your faith in God, and deepen your commitment to Jesus Christ.

May God bless you with their song.
